Welcome back to Term 3 everyone. Those holidays certainly went quickly and I hope that you managed to spend some time relaxing with your children. If you are organising holidays during term time could you please be sure to let the classroom teacher, Gina and myself know so that this can be loaded into our electronic student management system.

The Senior Syndicate were very excited to be using the 20 new Chromebooks we acquired this week. These Chromebooks were purchased using funds from the Carnival and our next step will be to purchase devices for the Junior Syndicate.

In the holidays a disability carpark was marked up outside the school gate at Room 8 - please be aware of this at pick up and drop off times.

Family Contributions

Thank you to all those families who have already made their payment for the year. These contributions are tax deductible and essential for all our students to benefit from the extra activities provided to complement and enhance our delivery of the NZ Curriculum. If you require any more information or wish to discuss payment options please feel free to come and talk to Donna. A great way to make this more affordable, is to set up an Automatic Payment which Gina is happy to help you with.

This Sunday's Gospel:

The Eighteenth Sunday in Ordinary Time

Jesus uses a parable to explain to His disciples and us that when we care for the needs of the poor, we are giving them what is theirs, not ours.

We are not just performing works of mercy; we are paying a debt of justice. Life does not consist of possessions but in sharing what we possess with others. In this Year of Mercy let us put this into action in our own lives.

CLASS OF THE WEEK - ROOM 7

In room 7 this week, we have been very excited to use our new Chromebooks. We were able to work in pairs for our reading response and look up what the weather would be like in different parts of New Zealand in the coming days. We have also started to look closely at things. We have magnified leaves in jars of water. We got this idea from our Journal reading.
