What a wonderful term we have had, with such a huge range of learning both in school and out in the community. It is lovely to see our students volunteering to support many very worthwhile initiatives in their local community and engaging with such a positive and well-thought-out voice. In the Kapi Mana there are photos of some of our students planting native tree species in Bothamley Park - check them out on page 21.

On Tuesday, I was proud to take a small group to a consultation meeting with the Porirua City Council, on proposed changes to the city rules around dogs. This was an opportunity for our students to share their views and have some input. It was a fantastic learning opportunity and an insight into how rules are formed through consultation.

**Matariki** - We had a lovely still evening last Thursday for our Matariki celebration. The lights looked spectacular and the children presented beautifully. Thank you to the staff and children for the very tasty kai and to Craig Bain for his very generous support with the lighting.

**Seesaw** - Have you signed up? Seesaw is a simple way for teachers and students to record and share what's happening in the classroom. Seesaw gives students a place to document their learning, be creative and learn how to use technology. Please email your child's class teacher if you haven't received your individual QR Code to access this App.

Yesterday was our 'School in Action Day' which was an opportunity for interested families to visit us. As our role continues to grow, we would ask that if you are aware of any families with pre-schoolers who are considering enrolment at St. Theresa's, to please contact us to make an appointment to meet with me - sooner rather than later.

Wishing you all a safe and relaxing break. We hope you manage to spend time with family and friends and if you are traveling, we wish you safe travels.

Whai i te wiki nui.

## This Sunday's Gospel

14th Sunday in Ordinary Time

*When we carry something heavy on our shoulders, we refer to it as a burden. Some burdens are heavier than others and not all burdens are physical things. In this*

*Sunday's Gospel, Jesus tells us how we can lighten our burden. One of the ways that we find rest in Jesus is through prayer. In prayer, we share our burdens with Him.*
