Manaakitanga - Kindness

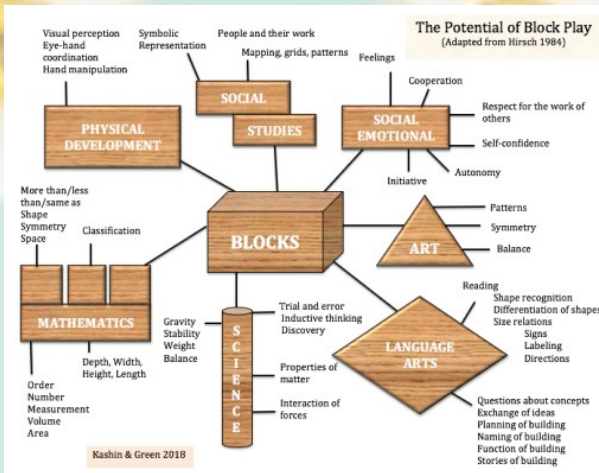

He aroha whakatō, he aroha ka puta mai *If kindness is sown, then kindness is what you shall receive.*

Yesterday Angela Cole and I attended the Kapiti Coast Catholic Schools Scripture Competition at Our Lady of Kapiti School in Paraparaumu. This is a fantastic initiative that has its origins in St Theresa's School. We were proud to have Courtney Tyrell and Kezia Franklin represent our school in the formal part of the proceedings and a very talented group of Year 4 students also presented a dramatic interpretation of Scripture. Thank you to those people who were able to join us and a special thank you to Kieley Dunlop, Syd Dufrou and Alayne Ringrose for providing the transport for the children.

NITS NITS NITS..... Are you scratching yet? Unfortunately these little critters are a part of our lives. We need to work together as a community to help keep the outbreaks to a minimum. Can you please regularly check your children's hair for any eggs, etc.? There is advice and guidance on what to use and ways to get rid of them on www.kidshealth.org.nz/head-lice.

Happy Fathers' Day to all our Dads and Grandads this Sunday. Hopefully you will be spoiled with love and special treasures from your children.

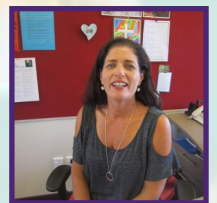

This infographic highlights some of the many valuable learning opportunities that using blocks in play and inquiry

offer our children. Children of all ages and stages can work together using their academic, social and emotional intelligences.

He hari, he pai te wiki. Whakapai te Atua,
Donna McDonald - Principal

This Sunday's Gospel - 22nd Sunday in Ordinary Time

We hear this Sunday that Jesus teaches that the words and attitudes behind our actions are what show us to be holy people. Our religious observances and all our actions should show our total love and obedience to God.

SPARKS OF GOD 2018 - T3, Week 5

Beauty and the Bush!

In just under a month, on Sunday, 23rd September, Leo from Nature School NZ has organised a Conservation Week event to enable our children and their families to give back to the bush that we have been enjoying for Bush Sprouts. On the day, your children will be able to show you around the bush they've been learning so much in. You will be able to join in planting native plants, removing naughty weeds and cleaning up some of the rubbish which is clogging up the stream area. We're meeting on the St. Theresa's field at 12 and finishing by 3p.m. with a sausage sizzle for all the helpers. Please join us. The event is advertised on Facebook (<https://www.facebook.com/events/837641959768984/>) and Eventfinda. Please R.S.V.P. on FB to let us know how many sausages we'll need! CLASS OF THE WEEK - Room 10

We've had a really busy term already. This week's highlight has been learning about Our Wahine, in celebration of 125 years of Women's Suffrage. As a school we made some fabulous camellia flowers which are going to be part of the largest chandelier in New Zealand. Can't wait to see the photos!
